## Associate members

*Article 1.2 of the WVA By-Laws:*

*Associate members:*

*The Council may accept the associate membership of world and regional international associations of veterinary specialists or related groups.*

*These specialist associations must have a majority of veterinarians and must have a membership of not less than 250 members from at least 10 different countries of which the national organizations are members of WVA. Each current (1996) associate member must have a membership of not less than 100 from at least six different countries of which the national organizations are members of the WVA.*

*The World Veterinary Association must be kept informed about any changes of the statutes of associate members.*

*Article 2.1.2 of the WVA By-Laws:*

*Representatives of associate members have one vote each.*
