The 10th Kerala Veterinary Science Congress will be held at Kairali Heritage, Kattampalli, Kannur District, Kerala on 10th and 11th November 2018. Kannur is a coastal city in the south Indian state of Kerala. The district is bounded by the western ghats in the east, Kollam and Wayanad Districts in the south, Arabian sea in the west and Kasaragod District in the north. It is a land with resonant past with myths and legends abound. Kannur is often known as The crown of Kerala and popularly known as The city of Lovers and Lovers. The region is famous for its loom industries and dazzling ritual performance called Theyyam. The land is a lively melange of beautiful beaches, historic sites, intriguing folklore and folk music, rituals, religious practices and festivities. The district also is home to some of the traditional industrial sectors of Kerala. The region also has its place in the freedom struggles against the British.

The tourism potential for Kannur district is high. The St. Angelo Fort in the Kannur Cantonment, which was constructed in 1650, is a symbol of Portuguese architecture. The Thalassery Fort is an important tourist centre. Payyambalam beach, Muzhipalam drage drive in beach (The longest in Asia), Pazhamudhircholam and Ezhimala are known for scenic beauty. Places of historic importance, like the house of Gaolers, who composed the first Malayalam English Dictionary, Anakkul Palace which is the only royal Muslim family in Kerala attracts many tourists.

Travel Guide
The nearest airports to Kannur is the Calicut International Airport, Kollam, located at a distance of about 115 km and the Mangalore International airport located at a distance of about 150 km. Kannur is well connected by rail and road to most of the Indian cities. The venue Kairali Heritage, Kattampalli is a luxurious resort situated against the backdrop of wonderful Kattampally River, in Kannur, located about 9 Kms from Kannur Railway Station. The resort is surrounded by magnificent water bodies that create a spectacular ambiance characterised with the serene natural environment.

Greetings to all
Indian Veterinary Association Kerala
Welcomes you to
10th Kerala Veterinary Science Congress

INDIAN VETERINARY ASSOCIATION KERALA
Indian Veterinary Association (IVA), Kerala, member of World Veterinary Association and Commonwealth Veterinary Association is the largest professional organization of the veterinarians of Kerala with more than 2000 members from all walks of veterinary profession. Being a professional body pledged to uphold and improve the professional efficiency, competence, dignity, honour, interest and rights of veterinary profession. IVA Kerala has always been a forerunner in organizing events of technical importance in the field of veterinary education, research, practice and Kerala Veterinary Science Congress is one such venture.

KERALA VETERINARY SCIENCE CONGRESS
The Kerala Veterinary Science Congress (KIVS) is a coveted annual scientific meet organized by Indian Veterinary Association, Kerala, since 2009. The objective of this two-day event during the month of November every year, is to revitalise the Research & Development sector of Veterinary Sciences, Animal Husbandry and Wildlife studies and to identify solutions for the emerging challenges in health care management, production & welfare of livestock, wildlife and the adaptive refinement of One Health initiatives in Public health. The Kerala Veterinary Science Congress is organized by Indian Veterinary Association Kerala in association with Animal Husbandry Department, Kerala. The 2018 episode of Kerala Veterinary Science Congress (KVSC-2018) will also be an international edition staging an effective platform for interaction among academicians, researchers, practising veterinarians, wildlife experts and policy makers from all across the globe.
REGISTRATION AND ABSTRACT SUBMISSION

Scientific/Research/Clinical papers are invited for oral poster presentations in each of the four technical sessions of the Congress. The research papers must be based on original work of authors, which has not been published/presented in the same form elsewhere in print or electronic media. The abstracts must not exceed 250 words, editable MS word format, Times New Roman, font size 12 pt, 1.5 line spacing are to be submitted online only either in the registration portal available at the Congress website www.ikavkerc.org or emailed to vetsciencescongress@gmail.com along with the scanned copy of the registration form upon payment of registration fee mentioned below, and details like delegate category, hotel, bank transaction number and date, amount remitted and the registration number allotted in online registrations with a scanned copy of the certificate concerned. Acceptance of the abstracts will be intimated through e-mail only. The authors of the abstracts accepted for oral/poster presentation will have to submit their full papers for inclusion in the Congress Compendium. Number of papers permitted per person is limited to three. An author can make only one oral presentation in the science congress provided the abstract is recommended by the review committee, even if it is the author in more than one paper. Registration is mandatory for participation/presentation of papers. Authors who have registered in the congress shall be entitled for oral poster presentation. The Proceedings of the Science Congresses and presentations by farmers will be uploaded in the website. Guidelines for preparation of abstracts and full papers are available at the website. The delegates registering for the Science Congress are entitled to get a congress kit and complimentary food on the conference days. Postgraduate student delegates shall submit a bonafide student certificate from the Head of the Department or Major Advisor. The last date for online registration and abstract submission is 15th August 2018.
