Dear Colleagues,

The biggest scientific meeting in the field of Veterinary Pharmacology and Toxicology is approaching fast. On behalf of the European Association for Veterinary Pharmacology and Toxicology (EAVPT) and the European College of Veterinary Pharmacology and Toxicology (ECVPT), it is our great pleasure to invite you to the 14th International Congress of EAVPT.

We believe that the Congress motto: “One Health – Challenges and Innovations” reflects the urgent issues of the rapidly changing world and provides a proper background for the upcoming edition of the EAVPT Congress.

As it has for the last 40 years, the EAVPT Congress will serve as a great place for the exchange of ideas and experiences in veterinary pharmacology and toxicology as well as for discussing regulatory issues and recent advances in pharmaceutical industry.

The 2018 edition of this triennial scientific meeting will be held in June 24 – 27, in Wrocław (Poland), the charming yet vibrant and fascinating capital of Lower Silesia, whose complex history contributed to the multicultural character of the city.

We believe that the 14th EAVPT Congress is the perfect place to show your latest scientific achievements and work results.

For more details, visit [www.eavpt2018.pl](http://www.eavpt2018.pl)

Looking forward to seeing you in Wrocław!

Prof. Marcin Świtała
Chair of the Organizing Committee
PROGRAM

The scientific program will cover a range of topics relevant to veterinary pharmacology and toxicology, including:

- Regulatory issues
- Pharmacokinetics and pharmacodynamics
- Drug transporters and biotransformation
- Recent advances in veterinary drugs and pharmacotherapy
- Antimicrobials and antimicrobial resistance
- Drug residues, contaminants, endocrine disruptors
- Antiparasitic agents
- Biologics and immunomodulators in veterinary medicine
- Pharmacovigilance/Toxicovigilance
- Clinical toxicology and eco-toxicology
- Evidence-based veterinary medicine and translational medicine
- Innovative learning in pharmacology and toxicology
- Probiotics, prebiotics, herbal products and other functional ingredients

Additional pre-congress workshops and satellite conferences for practitioners will be available for participants. Details will be provided soon.

ABSTRACTS & REGISTRATION

You are warmly invited to submit your work for either oral, or poster presentation. The official language of the meeting is English. The deadline for abstract submission is January 15th 2018. Registration will be possible online from December 1st 2017. Further details will be provided soon on the Congress webpage (www.eavpt2018.pl).
