

# Call for Abstracts !

## Abstract Submission for WVAC 2018 is Now Open!

The World Veterinary Congress provides a unique opportunity for veterinarians in all branches of the profession globally to come together to explore the challenges that face animal health and welfare, to find solutions where possible and to demonstrate the value of the profession for the public good in a changing world. Three main tracks will underpin the congress programme comprising veterinary public health, academia and research and clinical medicine across all domestic species.
